Background

Ewan is a Partner on the Asset Management team at Grant Thornton Cayman Islands. He is responsible for the delivery of audit and other assurance services to clients in the financial services sector.

Experience

Ewan studied at the University of Edinburgh and went on to train as a chartered accountant in Edinburgh. In 2000 he joined a Big 4 accounting firm in the Channel Islands, becoming an audit director in the Guernsey office in 2007. After subsequent placements in Bermuda, Singapore, and the Isle of Man, joined Grant Thornton in the Cayman Islands in 2021.

Industry Experience

Ewan provides audit, assurance and advisory services to a broad range of financial service clients, predominantly in the asset management sector. His current and past clients include hedge, private equity, real estate funds, mutual funds, investment managers, fund administrators, corporate service providers, trust companies, pension schemes, and a family office. Ewan also has extensive experience in the banking sector having worked with the offshore operations of several global banks.

Professional qualifications and memberships

- BCom (Hons) Business Studies and Accounting, University of Edinburgh
- Chartered Accounts – Institute of Chartered Accountants of Scotland (ICAS)
- Member and licensed practitioner of the Cayman Islands Society of Professional Accountants (CISPA)
