Background

Anu is the Co-head of Finance at Grant Thornton in the Cayman Islands. She is responsible for managing the financial operations of the firm.

Experience

Anu studied at the University of Warwick and went on to train as a Chartered Accountant in London. In 2011 she joined an international accounting firm in London and moved to their Cayman office in 2015. She has experience in auditing alternative investment funds and investment managers based in UK, US and Cayman Islands.

Prior to joining Grant Thornton in October of 2021, she worked at the Cayman International School where she was responsible for managing the financial operations of the school.

Professional qualifications and memberships

- BSc Accounting and Finance, Cardiff University.
- MSc Business Analytics and Consulting, Warwick University.
- ACA – Institute of Chartered Accountants in England and Wales.
