Background

Catherine is a Senior Manager in Grant Thornton's Funds team in the Cayman Islands. She qualified as a Certified Public Accountant in the Philippines, is a member of CPA Australia and has provided external audit services for over 13 years while employed by multinational accounting firms.

Experience

Catherine has worked in London, Guernsey, Singapore and the Philippines, with international clients from various industries in both the public and private sectors.

Industry Experience

Catherine has worked predominantly with private equity clients; investment funds in UK market listings (London Stock Exchange and Alternative Investment Market), fiduciary, fund administration, and smaller captive insurance clients during her time with mid-tier and Big 4 firms in London and Guernsey. During her time in Singapore and the Philippines, she worked on audits across other various industries including manufacturing, telecommunications, insurance, car dealerships, etc.
