Background

Mukul is a Senior Manager in Grant Thornton's Insurance and Corporate team in the Cayman Islands. He is a qualified Certified Public Accountant in the United States and has provided external audit services for over 11 years, while employed by Big-4 accounting firms.

Experience

Mukul has worked in India, the United States and the Cayman Islands and has an international client portfolio, predominantly focused on the Financial Services Industry.

He has experience in providing external audit services to US insurance providers, captive insurance companies and investment funds, with a primary focus on single parent and group captive audits.

During his time in India and the United States, he worked on audits of US insurance providers and obtained significant experience in US GAAP and US STAT insurance accounting.

As part of the Grant Thornton Cayman Islands team, he has significant experience in International Financial Reporting Standards while working on the audits of Caribbean based insurance providers.
