

# Grant Thornton Cayman Islands

## An introduction to our audit services for Private Equity and Mutual Funds

Grant Thornton Cayman Islands is the fastest growing audit firm in the Cayman Islands and a Top-5 global player in the financial services industry.

We pride ourselves on being personalized and tailored to your needs, less complex than our competitors, and sensible on pricing, meaning you benefit from higher quality service and an efficient offering.

### Audit practice

Our team on the ground in Cayman are experts in auditing a variety of Fund vehicles spanning various investment strategies. Our expertise covers a wide spectrum of structures, domiciles and legal and regulatory environments, giving you peace of mind that you're getting the highest quality service.

### Tax practice

We also offer an in-house Tax practice to provide US Tax services for a wide range of clientele, focusing mainly on hedge funds and private equity. Our Tax team has accumulated decades of deep industry knowledge and can help you manage your US Tax reporting requirements.

### Next steps

It is anticipated that there will be a vast number of registrations needed by August 7<sup>th</sup> 2020, based on the recent changes in regulation in the Fund industry. To meet this volume, we have developed a streamlined onboarding approach - **'less stress – more success'**.

This consists of the following steps:

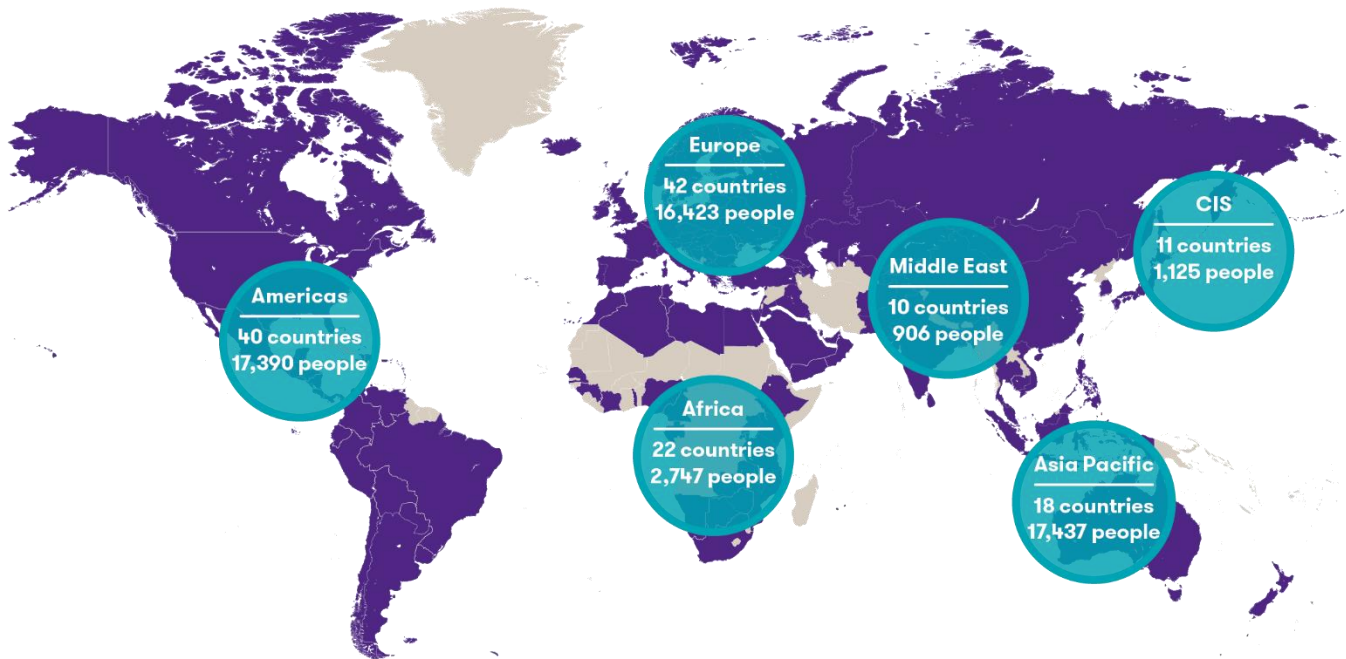

1. Initial discussion to understand your needs
2. Audit proposal issued within 48 hours of discussion
3. Background and conflict clearance completed within 4-5 working days
4. Consent letter issued to meet your license application needs

# A Global network with a local relationship

Grant Thornton are a Top-5 globally recognized network of independent assurance, tax and advisory firms, made up of over 56,000 people in over 140 countries and with over 750 offices.

That means you get a global network of expertise to complement our local market understanding.

Our relationship with our sister offices around the world offers our clients a seamless service with access to a global pool of expertise. In particular, a close working relationship with our offices in the Americas, ASPAC and EMEA regions of the world, means we're everywhere you need us to be.

Our distinctive client experience sets us apart

56,028 people

756 offices
